### Message from Mr Delgado – Principal

It only seems like yesterday that we were at the start of September welcoming students to Park Academy and the year has flown by. The most encouraging thing that I have seen is how positively students have embraced the high expectations and demands we have made of them and how you as parents and carers have also contributed to this. This has resulted in some excellent attitudes to learning which in turn has resulted in marked improvements in terms of progress. It is vital now that as we near the end of our first year that we do not forget the core purpose of education. Education is the vehicle that leads to the realisation of dreams and allows students to achieve their true potential. There is still a huge amount of work that we all need to do to realise the potential of all children at the academy and September 2018 will be an exciting next step in our journey. Enjoy a restful summer break and I look forward to seeing you next academic year.

Principal  
Juan Delgado

### Sports Day Fun!

Park Academy held its first ever Sports Day and it was a huge success! Students took part in a variety of different sports and the winning School was English and Languages! A big well done to all students who took part, and to Mr Boateng and the PE Department! A successful day all round, and we look forward to next year already!

We wish you all a very happy and restful Summer!

### NASA Visit

The annual Post 16 Aspirations Academies Trust NASA visit has just returned from America! Students and staff had an amazing time, and got a real insight into the life of an astronaut and space. Harry Moxom and Bhavin Patel were the 2 lucky students selected to attend, and Ms Basharat accompanied them on the once in a lifetime trip!

### Student Hero of the Week

We want to congratulate all students at Park Academy West London for an excellent first year, and look forward to the next! Continue the hard work, aim for your dreams and attend school, on time, every day! Have a great Summer break!

### Parent Voice Survey

We would like to invite all parents to take our online Parent Voice survey, to let us know what you think of how we are doing. The survey was sent out to parents via ParentMail, with the link and access code and closes on Friday 20<sup>th</sup> July.

### Year 11 Graduation

On Monday 2<sup>nd</sup> July, we held our first ever Year 11 Graduation Ceremony at Brunel University. Students, parents and staff came together to celebrate a successful year for the students, who wore gowns and collected their scrolls on stage. Juan Delgado, Principal, said that he was “very proud of students and their desire to succeed in examinations – we wish them all luck and look forward to seeing students on results day”.

### Student Voice Success!

Student Voice have made some excellent progress this year, and lots of change has either already happened, or will be actioned for September. Some of the key changes include the new rucksack now available on Brigade’s website, a new Eco straw in our canteen, adapted Academic Mentoring sessions to ensure that all of them are engaging and useful. We look forward to more student voice next year.

### Music Samba Battle

The Samba Battle last Thursday was a huge success and all students gave fantastic performances! The winning group was 7C and Mingaile Zymanciute won best band leader. Miss Simon was very happy and said students were amazing!

### Year 6 Transition

We held a very successful Year 6 Transition Day on Tuesday 3<sup>rd</sup> July, where all of our new students visited for the day! We look forward to welcoming them to the Academy in September!
