Message from Mr Delgado – Acting Principal

It has been an exciting and focused start to the academic year that has seen the launch of Park Academy West London. It has been a pleasure to see students conducting themselves with such high levels of professionalism and to see them approach each day with a level of determination and resilience that will see them succeed at all levels and make this a great school for them. On a separate note, Ms Colgan has been absent from the Academy recently and I would like to draw your attention to an important message from her set out in the paragraph below. While Ms Colgan remains absent I shall continue as Acting Principal and with effect from 1 November 2017 I have been asked by the Aspirations Academies Trust to assume the role of temporary Principal with a permanent appointment likely to happen in the spring term. I look forward to working with you all to make Park Academy West London truly outstanding.

Acting Principal
Juan Delgado

“Staff, parents and students will know that I joined in September 2016 to work with you all to help improve standards at Stockley. I have appreciated the commitment and support I have received during what has been a challenging journey for us all. You will be aware that that I have been working alongside the AAT to ensure that the long term future of the school is established. Having organised the transition of the academy to the AAT I am leaving my post as the Principal from the end of October. I would like to take this opportunity to thank you for your loyalty and support for me during my time at Stockley and I wish you every success.” Ms A. Colgan

Managing Directors

Hakuna Matata – The Lion King!

31 students watched The Lion King Musical, the famous story of Simba’s epic journey from losing his father to finally finding his strength to take his rightful place as King. The musical was both a modern-day classic and a state-of-the-art multi-sensory experience. The African plains were brought to life on stage by the amazing dancers and gigantic puppets that represent the varied and stunning African flora & fauna. The students and staff thoroughly enjoyed the show.

Open Evening Success!

Park Academy held its first ever Year 6 Open Evening on Wednesday 20th September. We had over 200 Year 6 students attend who were all given a tour of the building and an opportunity to look around. It was a real pleasure to invite members of our community into our Academy for the evening. All current students who helped out in Departments and on Tours were a real credit to themselves. If you know anyone who would like information regarding Year 7 and gaining a place, they can contact us on info@park-aspirations.org.

Important Date!

Sixth Form Open Evening:
Thursday 2nd November
5:30-8pm

Late Students Sanction

Please be advised that after October half term students who arrive late, and are issued with a detention, will carry out Community Service for half of their detention. This will include litter picking in the playground.

Hero of the Week

Every week we will have a student hero of the week – someone who goes above and beyond to be aspirational, hardworking and supportive members of our community!

This week we congratulate **Samuel Auckland** in Year 9 who has had a great start to the year and his GCSEs! Sam has gained lots of Achievement Points for his School and has 100% attendance and punctuality! An excellent role model to others! Well done Sam – keep it up!

Good News Feed!

Year 11 students have been attending after school and weekend interventions. This dedication to their learning will ensure they make excellent progress and leave with great qualifications! Keep it up Year 11!

‘To be able to dream about the future, while being inspired in the present to reach those dreams’

Russel J Quaglia
