## Research

- Research some of the different festivals/celebrations that take place across the Francophone world. Write up a factfile about the one that you would most like to visit (EN or FR)
- Create a review of the music of some of the artists above. You could create a whole mini magazine about French music! (EN or FR)
- Research the French Revolution – it is a pivotal moment in European history. (EN)
- The Francophone World – how did the French language spread so far? (EN)

## Create

- Head to YouTube and check out some of the Francophone artists – find a song you like along with the lyrics and use the internet to help you translate the song.
- How about cooking up a storm 'dans la cuisine' and cook some famous Francophone dishes... poutine, croissants, coq au vin, crêpes, steak frites ?
- Fill out a journal in French about what you're up to – even if it's just single words at first
