

Landscape: The Little Britain Lake

This project is about finding out more about your local community. Colne Valley has rich history and diverse wildlife. It was established in 1965.

Tasks:

1. To write about Colne Valley Park and its historical facts
2. To write about the importance of biodiversity, landscapes, countryside, rural economy, recreation and communities.
3. To create a drawing of the photographic image I have taken for you on A4 paper using a pencil
