

Y9 FRENCH HOMEWORK PACK 4 – LES GUIDES TOURISTIQUES

Congratulations on getting to the end of a very strange school year! If you are continuing French next year then there are lots of plans in place to get you all caught up so please do not panic – in the meantime make sure to use lots of fun ways on the internet to keep up with your language learning over the summer (YouTube, Duolingo). In this final work pack, we want to see your creativity to demonstrate what you've learnt this year by creating a French tour guide for London. Follow the guide below to help you form a structure to your guide, please bring them back with you after the summer!

We can't wait to see you back in MFL and if this is your final few weeks studying French then good luck with the rest of your studies! – Mr West & Mrs Chetti
