

Mr Juan Delgado [Principal]

22<sup>nd</sup> October 2020

Dear Parent/Carer

**Year 11 Interventions – after half term**

What a fantastic half term we have had in Year 11. Students have been so engaged with their learning, attending interventions and sharing their aspirations for the future. The majority of students have also signed up for half term interventions and we are looking forward to seeing them there. Despite there being disruption for some students this half term, I am really proud of the Year 11 cohort this year, and I am confident they will achieve highly in their exams later this year.

After half term, we will be adapting the plan for after school interventions; these will change to English, Maths and Science. We also recognise the importance of students being able to complete work and coursework on site, and we will therefore be offering a session for this weekly.

The timetable after half term is as follows:

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>
<b>Subject</b>	Maths	Science	English	Coursework / quiet study
<b>Time</b>	3pm-4pm	3pm-4pm	3pm-4pm	3pm-4pm

Whilst these sessions are not mandatory we would strongly suggest all students attend interventions. They are designed to make students more confident and assured as they work towards the most important phase of their educational journey to date. The sessions will be engaging and well planned, and students will benefit hugely from them.

If you have any questions regarding the intervention sessions, or would like to speak to your child’s subject teacher, please do not hesitate to contact us.

I am looking forward to seeing all students at intervention sessions and making the most of their learning. Thank you as always for your support.

Kind Regards

Mr J Taylor  
Assistant Principal
