Dear Parent/Carer

Year 11 – Uniform and Revision Guides

I am incredibly proud of our Year 11 students, and how positive they have been throughout the recent mock exam period. Students behaved impeccably at all times, and entered each exam with confident and optimistic attitudes, determined to show how well they would have performed had exams gone ahead this Summer.

We do not have a confirmed date for the students' final day of Year 11 at the Academy. As it stands, our main priority is to ensure we have all of the evidence needed to produce realistic and robust grades for all students. We will start to consider a date for the final day once we are confident that we have all of the evidence that we require.

As students prepare to leave the Academy, or move into our Sixth Form, I would like to ask if parents and carers will donate their child's used uniform to the Academy, to help support those families who may not be able to afford a new uniform. Although students still need their main uniform, we would really appreciate any donations of PE tops, spare ties, spare jumpers, or spare blazers, as soon as possible. Students can bring these in and give them to myself, Ms Kumar or their Academic Mentor.

We would also request that if students no longer want or need the revision guides we purchased for them at the start of the year, that they also return these. We have a raft of students who would benefit from having access to revision materials before the Summer holidays.

Finally, please do congratulate your child on their hard work and perseverance this Academic Year, and throughout the recent mocks; they are truly a credit to you.

Kind Regards
