

Park Academy Summer School – August 2021

Details of the summer school

Park Academy West London held their Year 6 into Year 7 Summer School during week commencing Monday 9th August. All new Year 7 students were invited to attend the Summer School, and 75 students attended. Following the turbulent 18 months that students have had at Primary School, it gave them an opportunity to get to know their new school, new teachers, peers, reengage with education as they prepare to embark on the next phase in Secondary School, and most importantly offered an important opportunity to support student's wellbeing.

Activities

The aim of the Summer School programme was to offer a blend of academic education and enrichment activities. The Summer School at Park hosted a wide variety of different subjects, including:

- English
- Maths
- Science
- PE
- Music
- Drama
- Art
- Cooking
- Orienteering
- Leadership

Students also benefited from two visiting companies during the weeklong Summer School:

- Dance with Blue (Dance/Performing Arts classes)
- Exotic Animal Encounter (Science focused, animal interaction sessions)

Available Funds

- 75 students attended the Summer School
- Payment per student is £285
- Overall available - £21,375
