31<sup>st</sup> March 2022

Dear parents/carers

The Easter holidays are fast approaching, and it is the end of what has been another busy spring term at Park Academy. This term the students have been fortunate enough to have many opportunities, including another highly successful Showcase. It has been fantastic to see the students embrace the opportunities available to them. We hope that you enjoy reading about them in the Newsletter. On the last day of term, Friday 1<sup>st</sup> April 2022, the school day will finish at 12.30pm. We will return to the academy at the usual time of 8.30am on Tuesday 19<sup>th</sup> April 2022.

During the next term we continue to have many events at the academy and encourage you to read through the newsletter where some of the events are listed. We will contact you all if there are any changes to these published dates. We also look forward to the return of external examinations and are planning the best ways to support the Years 11 and 13 students as they embark on these. Students will be given their exam timetables before Easter and so will be able to plan how to prepare for these.

### **School day**

This term we have been trialling Years 9 and 10 leaving the academy at 3.00pm to help support with boarding buses at the end of the day. Unfortunately, the trial has not been as successful as we would have hoped and so from after the Easter holidays **all** year groups will now finish at the same time at 3.05pm.

### **Uniform**

We thank you all for your continued support of the academy and would like to take the opportunity to remind you of some of our uniform expectations. I am aware that during the school holidays some of our students do like to have their nails and eyelashes fashioned. Please can I remind you that all students who have false eyelashes, acrylic nails and nail polish must have this removed following the Easter break, or they may be isolated until this is rectified. I would also like to remind you that students are only allowed to wear one pair of stud earrings in their earlobes. Earrings in the upper ear and nose studs are not permitted and students will be asked to remove them. Students should continue to wear their school jumpers and blazers. We will continue to review this daily and if the temperature increases we will inform students when their jumpers are no longer needed. Please can we ask for your continued support in ensuring that your child returns to school correctly dressed, adhering to all of the school uniform expectations.

The end of term does always bring much excitement, as well as an opportunity for us to celebrate the students' achievements. We are extremely proud of how the students have approached their academic studies and the students have been an absolute pleasure to work with. Thank you for all of your support as a parent body over the last term. I wish you and your family a very happy and safe Easter and look forward to another, exciting summer term.

Yours sincerely

Ms S Mohey  
Principal
