Dear Parent / Carer,

Re: Year 10 and 12 Work Experience Information Evening

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we are expecting all Year 10 and Year 12 students to participate in a one week work experience placement in the Summer Term.

Although the Summer Term may feel a long way away, there is a lot of work that needs to be done in advance to ensure your child has a successful placement. Therefore we will be starting the process after the October half term with a Parents Information Evening on Thursday 3rd November at 5pm. On the evening I will go through the importance of Work Experience and the benefits that students gain from participating, as well as all the necessary paperwork that will need to be completed and the timeline for doing so. Following the evening, all Year 10 and Year 12 students will have an assembly where they will hear from students who participated in work experience last academic year, and they will also receive their information packs.

I do hope that you will be able to join us on the evening, and I look forward to supporting our students in securing some excellent placements.

Yours sincerely,

Ms B. Reynolds
Senior Vice Principal and Careers Lead
