Dear Parent / Carer,

Re: Year 11 Careers Advisor Interviews

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we are offering all students the opportunity to meet with Margherita Rickwood, a Careers Advisor from the Education Development Trust.

Each student will be invited to attend a 30 minute appointment where they will have the chance to discuss their future plans and work with Margherita to develop an action plan for moving forward. Feedback from students last year was very positive, with one student commenting "the careers advisor was brilliant. She made sure that she gave me clear advice on the different stages of how to reach my end goal, now I feel confident that I can go on and fulfil my ambition".

Interviews will be held between November and February, however support will continue to be available beyond this time. They will take place during the Academy day and students will be notified of the date and time of their appointment via their Academic Mentor. Where a student is absent for their meeting it will be rearranged. If, following their appointment, students feel they would like further support and a follow up session this can be arranged. They would just need to let me know.

Our Year 11 students are at a very exciting stage of their education and we look forward to supporting them as they make decisions that shape their future.

Yours sincerely,

Ms B. Reynolds
Senior Vice Principal and Careers Lead
