Dear Parent / Carer,

We are delighted to inform you that we are organising a Sixth Form charity trip to Bosnia with the Our Kids Foundation. Our Kids Foundation is a UK registered charity that funds and delivers projects to improve the lives and prospects of children and young adults in Bosnia and Herzegovina. The beneficiaries of their projects include children living in institutional care, young adults leaving care, and those with disabilities who require long term assistance. Students will have the opportunity to improve the lives of children in the Egipatsko Selo orphanage, Mostar, and visit a halfway house, two of the main projects of the Our Kids Foundation.

The main aim of the trip is to ensure the children at the orphanage are shown attention and care and our students will spend their time in Bosnia socialising with the children. Activities will be planned that will allow for Park Academy students to form friendships with the children from the orphanage and allow the children the chance to relax and enjoy themselves. These activities may include white water rafting, swimming, a boat trip and arts and crafts.

The trip will take place in July, at the end of the academic year, the dates will be confirmed once we know how many students are likely to attend. The cost of the trip is £1200. We expect the students to fundraise towards the cost of the trip and their efforts will be supported by the academy. However, we do expect the students to be proactive and each student must raise £1200. A more detailed itinerary for the trip will be determined shortly.

This is an exciting opportunity for our Sixth Form students and will provide the chance for them to develop personally. We would like students to show an expression of interest in attending the trip by completing the attached reply slip and returning it to Student Services by Wednesday 19th October.

If you have any further questions regarding the trip please contact either Ms Mohey or Ms Reynolds.

Yours Sincerely

Ms S Mohey
