**Re: How to help your child prepare for exams**

In keeping with our commitment to provide students with outstanding progress throughout Year 11 – we have teamed up with an external organization called Elevate. Elevate is a study skills programme that help students around the country achieve their desired goals.

They are currently offering a free webinar for parents focusing on helping your child prepare for exams.

The next webinar will take place on Tuesday 8<sup>th</sup> November at 6pm.
