

Ms Suvi Mohey [Principal]

30th January 2023

Dear Parent / Carer,

Re: Cambridge University Workshop

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we have organised for Peterhouse College of Cambridge University to deliver a workshop for selected Year 12 students.

The workshop will be an interactive session that explores the benefits of Higher Education and what studying at Cambridge University would be like. The session will take place on Wednesday 8th February for one hour during the school day.

Your child may or may not have aspirations to attend university, but we have a responsibility to ensure that students are given information so that they are aware of all of the opportunities and pathways available to them. Your child has been selected for this session as they have been identified as they have met one or more of the criteria below:

- Key Stage 2 data has identified your child as a high attaining pupil (HAP);
- Your child has shown the level commitment to their academic studies that would be required at this level.

All students receiving this letter are invited to attend the session, however should you or your child **not wish** to attend the session please complete and return the form below to Ms Reynolds by Friday 3rd February.

For more information on this session or on our careers programme, please contact me via the main reception.

Yours sincerely,

Ms B. Reynolds
Senior Vice Principal and Careers Lead
