Dear Parent/Carer,

Re: Kingston University Visit

In keeping with our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we have organised for selected students to visit Kingston University. Kingston University is ranked a top 5 university in London in 21 subjects in the 2023 Guardian University Guide including interior design, mental health nursing, fashion and textiles and midwifery. The day will consist of:

- Tour of the college from Student Ambassadors
- Q&A with Student Ambassadors
- A number of workshops with University staff and Student Ambassadors.

The visit will take place on Thursday 8th June. There is no cost to the trip.

Students should arrive at school by 8.30am as normal and attend Academic Mentoring. Students will then meet in the Atrium and will be taken to Kingston University by school mini bus. The campus visit will end at 2.30pm and students will travel back to the Academy on the school mini bus. Students will be dismissed from school at 3.20pm.

Students should be in correct uniform, as per Academy dress code. Students will need a packed lunch and drink for the day.

Priority for places on this trip will be allocated to those students who are yet to visit a University this year. Remaining places will then be allocated on a first come first served basis.

This is a fantastic opportunity to gain experience of higher education at a world renowned University. If you would like your child to participate in this opportunity, please complete and sign the attached permission slip. Please return the slip to myself by Wednesday 24th May. Should you have any questions or queries regarding above please do not hesitate to contact me.

Kind regards,

Ms B. Reynolds
Senior Vice Principal
