10th October 2024

Dear Parent / Carer

We are launching a new Parent App which will allow you to monitor your child's attendance, reward and behaviour points as well as their assessment data via Arbor, our Management Information System (MIS).

You will shortly receive a welcome email from Arbor. Your username is your email address. We ask that you download the App and register your account. Arbor will ask you to enter your child's date of birth. If it does not work please manually type in the date of birth.

We have attached a leaflet from Arbor to support you in setting up your account.

If you have any queries please contact reception or email arbor@park-aspirations.org

Many thanks

Suvi Mohey
