Ms Suvi Mohey [Principal]

3rd October 2024

Dear Parents/Carers

Our students have had an extremely positive start to this academic year. To ensure that this continues and that Park Academy continues to be a positive learning environment for all students and staff, we have spoken to students to remind them of our high expectations. Whilst the majority of our students behave in an exemplary manner we felt it was important that all students are clear of our expectations of them.

We expect students to arrive on time to lessons, in the correct uniform, with the correct equipment and to work hard and contribute positively in all lessons. We expect this because we know that these all contribute to a positive learning environment, where all students can learn, make progress and achieve their best.

We will not tolerate behaviours that disturb positive learning environments. Our internal exclusion room is one of our highest sanctions and we have clear expectations of students in this room. If students persist in not meeting these expectations, they will fail internal exclusion [IE] and as a result will receive a suspension. Upon their return to the Academy, they will repeat the day in internal exclusion [IE].

We have reminded students that if they are truanting a lesson at any point during the school day, they will immediately be escorted to our internal exclusion room and remain there for the rest of the day until 4.00pm. If they fail to do this, they will receive an immediate suspension and will complete a day in internal exclusion [IE] upon their return.

Staff at Park Academy work tirelessly for our students and they deserve to work in a positive environment that allows them to teach without disruption. We have informed students this morning, that should any student swear directly at a member of staff, they will receive a one-day suspension.

We thank you for your support in ensuring that Park Academy continues to be a positive learning environment for all staff and students.

Yours sincerely

Sarah Johnson-Scott
Associate Principal
